

Welcome to Pinecrest-Queensway Employment Services

We are changing how we help you find work!

Thank you for your interest in receiving assistance from PQ Employment Services, one of 11 Employment Ontario sites in Ottawa.

Employment Ontario introduced a new and enhanced Employment Service Delivery Service Model on August 1, 2010. The new model will make it easier for you as job seekers to find and access employment training and services, based on your interests and needs, all in one location.

During this transition period, PQ Employment Services is working out of our existing location here at 1365 Richmond Rd. while a new, larger space is being prepared for us. Due to both staff and space limitations, the services we offer will be slightly modified so we can offer the best services to our clients with our existing resources. Currently, our services are:

1. Assessment and referral to Employment Ontario programs and funded initiatives including:
 - Second Career Strategy
 - Ontario Self Employment Benefits program
 - Job Creation Program
 - Practice Firms
 - Services for persons with disabilities
2. Resource and Information Services (including workshops starting in mid September, Second Career Information Sessions, and information and referral to other community resources)
3. Access to employment resources including computers, computer classes (Excel and Word) fax machines, telephones, and photocopiers thorough our Millennium Learning Centre (3rd floor).

On the back of this sheet, you will find a list of the other service providers in the Ottawa Region that will be moving forward with the new Employment Service Delivery model. All of these organizations are offering the **full-suite** of services such as workshops, resume and interview assistance as well as Job Search Assistance, Job Matching, Placement and Incentives, Job Retention, Second Career and Apprenticeship services.

If you require further information about our programs and services, you are welcome to contact us by phone at 613-820-4922 ext 415 or visit your closest Employment Ontario Service Provider from the attached list.
