

WHO WE ARE

Our team works with families to create a housing plan based on each family's needs. This is done by offering support, information and connecting families to community resources and services.

The Families First Program has been helping families who are leaving shelter and moving into permanent housing since 2011.

WHO WE SUPPORT

The Families First Program receives referrals from shelter case workers and provides community-based supports to families who are leaving shelter and moving into housing.

The Families First Program offers support to families for a period of 9 months.

OUR SERVICES

Help families find resources

Work with the family to create a goal plan to meet their needs

Provide support in a location where families feel most comfortable (including their home)

Connect families to services offering short and long-term support

Introduce families to social, recreational, health, employment and educational opportunities in their community

Provide referrals for practical supports such as furniture, food, clothing, etc

Services are offered in the family's language of choice
